## TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance/registration will be made. On books we charge 50¢ per lot (Others charge \$1.00) with added cost when a number of books are on the same lot. We use discretion and never overcharge you.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$5.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 5% Sales Tax, and will be added to the invoice.

ALL MATERIAL IN THIS SALE WILL BE AVAILABLE FOR INSPECTION

MR. HAROLD E. MOREHOUSE, JR. became well known in the Washington Metropolitan Area. He was a member of the Montgomery County Coin Club and helped put on many outstanding programs. He was also active in the Metropolitan Washington Numismatic Association.

Hal died on February 21, 1975. It was the intensity of his life efforts that set him apart. There was no task, hobby, no personal relationships to which he did not commit his total effort and loyalty.

Hal entered Federal service in 1936 and served from 1942 to 1946 in the Coast Guard, where he attained the rank of Lt. Commander and began his long career in the world of intelligence. In 1946 he joined the newly established National Security Agency. Here for twenty-two years he used his technical and linguistic skills in an area of problem solving in which names and successes remain unsung, but where he became a member of that elite handful of men and women who, by sheer mental prowess, moved our national intelligence effort from its World War II awakening to the highly sophisticated state it now enjoys.

Hal pursued his outside interests with the same intensity of interest and effort given to his career work. His love of music was reflected in his collection of over 500 records. His interest in stamps and coins extended beyond private collecting by service to clubs in the community. He was long an officer in the internationally active Stereo-Realist Photography Club. His loyalty to Yale would not allow him to pass over any copy of the Yale Alumni Magazine. Each was saved and savored.

Frank and Laurese Katen are honored and privileged to being able to sell his coin collection.

THE FOLLOWING COLLECTION OF WORLD PAPER MONEY BELONGED TO A MEMBER OF THE INTERNATIONAL MONETARY FUND. The notes were housed in three genuine leather 7 x 10 inches 3-ring binders gold lettered as below including the member's name. I am certain that most of the notes were crisp unc at one time, but somehow a faint crease appears on many of them making them extremely fine as noted.
